## PRO RAKE Dethatcher

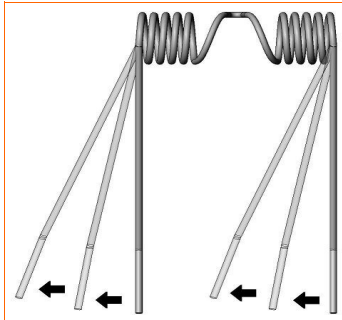

Fits all mowers with standard deck sizes  
from 36" to 72" using  
modular 6" and 12" extensions.

**Spring coil brackets designed for free motion**

Optimal spring action for dethatching and  
increased life of the springs.

**Heavy-duty 10 gauge steel.**

More rugged than comparable units.

**Spaced spring coils:**

Maximum sideways flexibility  
of tines.

Prolonged spring life.

Prevents lawn damage in turns

**Sealed ball bearings**

in caster wheel pivots.

Less maintenance.
